Headwinds Delay Arrival At Honolulu; Thousands To Greet Fliers

(BULLETIN)

(International News Serfice) SAN FRANCISCO, Oct. 29.-At 6:55 a. m. (PST) the Lady Southern Cross was approxi-mately 400 miles from Honolulu, according to navy radio head-quarters here. Her position was given as latitude 13.00 north, longitude 161.50 west.

Honolulu, T. H., Oct. 29,—Con quering a heavy rainstorm which sent their monoplane Lady Southern Cross into a spin, Sir Charles Kingsford-Smith and his navigator, Capt. P. G. Taylor, were nearing Honolulu early today on the second leg of their 7.365-mile trans-Pacific flight from Brisbane, Australia, to Oak

Sir Charles advised by radio at 1:05 a. m. (3:35 a. m. Pacific standard time) that he was approximately 700 miles from Honolulu. This message came shortly after

the airmen had flashed a vivid description of having encountered a terirfic rain storm 900 miles from Honolulu and 2,244 miles on their way from Suva.

The time between the two messages indicated Sir Charles was speeding at 175 miles an hour. It was expected he would cut his speed to 130 miles per hour in order to set his monoplane down at Wheeler field after dawn.

Army officials at Wheeler field ex-

pected the daring airmen would arrive here at 5:30 a.m. (8 a.m. PST)

Many significant developments marked the start of the shutdown in Cuyahoga county today. They inluded the following:

Developments

1. More than 700 managers and clerks employed by the company representing no union, declared they were innocent victims of an injustice and asked Mayor Davis to use his good offices to permit them to return to work.

2. Butchers employed in the company's stores at Milwaukee voted to go on strike today, partly as a sympathy gesture toward the Cleveland

employes.

3. United States Department of Labor officials at Washington watched the situation here closely, openly cognizant of the possible wide ramifications of the company's action in shutting down its Ouya-hoga county stores.

Threat To Expand Strike

Labor gave voice to the threat of a state-wide strike against all A. & P. stores unless the dispute here is settled this week. Michael Schulde, state chairman of the meat cutters' union, said at Cincinnati that the state-wide strike would be con-sidered at the group's convention starting in Columbus next Sunday.

5. George L. Hartford, of New York, chairman of the board of the amilies Are mammoth company, left the city for Pittsburgh, where the A. & P. division headquarters are located, but said he may return to Cleveland this week.

Although the company in its first statement said it operates 428 stores in the greater Cleveland district, and it was first understood that this number would close today, it was announced that only 300 stores of the company in Cuyahoga county

tition to Mayor Davis today.

Butchers Strike

MILWAUKEE, Oct. 29.—Striking for higher wages and union recognition, union butchers in 47 stores of the Great Atlantic and Pacific Tea Company and the Kroger Grocery and Baking Company were on strike today.

In addition, Milwaukee faced a

shortage of fresh fruit and vege-tables as the strike of union truck drivers entered its fourth day. Although no violence has marked the truckers' strike, large police squads and company detectives guarded produce cars in the railroad yards today, and motorcycle police escorts convoyed truck loads of fruit and

STEUBENVILLE, O., Oct. 29.— With the life of the 47-year-old mill sweeper hanging in the balance, the jury trying David Dasco as the "phantom killer" of the Wheeling Steel plant, resumed deliberations here today after eight hours of decision and a full day of rest.

When the jury reported at mid-night Saturday that no decision had been reached, Judge J. C. Oglevee ordered it locked up until this norning.

Dasco is accused of being the mysterious gunman who killed three Steubenville mill workers, and is being tried specifically for the slaying of Ray Kochendarfer, one of those shot down in the mill yard under cover of darkness.

Gathering Of Friends At Elks Club Saturday Noon And Later Near Enon

Attorneys, county officials, and riends of Attorney and Mrs. Clyde V. Ailey gave them a pleasant farewell dinner at the Elks club at noon, Saturday. Attorney and Mrs. Ailey leave immediately after the election for Compton, California, where they will make their future home. Those who have enjoyed the society of Mr. and Mrs. Ailey here expressed their regrets that they are leaving New Castle, and wished them all kinds

of happiness in their new home.
Attorney Ailey has been a prominent member of the Lawrence county bar for many years. He served the county efficiently as district attorney, and has been connected in eral years as a member of the Republican state committee.

On Saturday evening Mr. and Mrs. Ailey were guests at another farewell dinner which was given in their honor at the home of H F. Leslie, a relative, near Enon. About sixty were present at this gathering all of whom were sorry to see Mr. and Mrs. Alley leave.

By the close of 1942 the Lawrence County Boy Scout council hopes to have 1,226 boys enrolled as scouts in the county, Scout Executive Herbert 3. Horton disclosed today in an-nouncing that a ten year program survey already is under way to deermine what growth the council hould show each year.

Charts that outline the proposed expansion of the council are being prepared, it is learned, and, through various sources, information needed to draft the charls is being collect

At the present time the council scout membership stands at somewhat over 600.

Council offices throughout the country are making similar surveys as a preliminary step to initiating their ten year programș.

SLOVONSKY-WATNICK FIELD CLUB BRIDGE WEDDING ON SUNDAY

Before an assemblage of relatives Shensan, solemnized one of the pret-tiest weddings of the season on Sunday afternoon in the Tifereth Israel synagogue, South Jefferson street, when Miss Minnie Slovonsky, daughter of Mrs. S. Slovonsky of East Reynolds street, became the bride of A. Watnick, son of Ben Watnick of Chicago, Ill.

Preceding the ceremony, "O Promise Me" by De Koven, was impressively sung by Mrs. Florence Slovensky, accompanied on the violin by Mrs. Marie Alter. To the strains of the bridal chorus from "Lohengrin" the bridal party approached the altar. The bride was given in marriage by her brother, Gus Slovonsky. Mrs. Gus Slovonsky was maid of honor and Mrs. Anna Cohen. the groom's sister, was matron of honor. Archie Slovonsky, the bride's The bride was attractive in brother, served as best man.

The bride was winsome in a fall a corsage of bride's roses and lilies of the valley. The maid of honor wore an ensemble of brown, with a corsage of roses. Mrs. Cohen was attractively attired in black and white and wore white roses. Mrs. M. Slovonsky wore a rust gown and carried baby mums and ten

So Wednesday evening when night draws her curtain across the world the unbelieving worldlings will supplant the "real" ghosts, black cats and broomstick witches with a make-believe eerie realm of cut paper, noise makers and pumpkin faces. Hallowe'en parties, street carnivals with masks, costumes and confetti, and prank-playing have universal permission to monopolize the spotlight. TWO-PARTY SYSTEM

As the federal government proceeds to revise the structure of our economic life, there is both inquiry into and opposition to the policies and practices at Washington. The result has been the appearance throughout the country or organizations and associations for and against the New Deal, and demands for a new political party.

Under our two-party system of government, however, the opposition has the responsibility of calling to public attention the full meaning of all actions of the party in power. By this system of checks and balances, coupled with the constitutional guarantees of freedom of speech and press, we have enjoyed a political stability that has allowed

us to advance faster and further than any other nation on earth. As divided political opposition invariably means relative support for the party being opposed, it follows that the Republican party is the normal agency of politically effective criticism of our present national administration policies. The two major parties have taken generations to develop their organizations and legal status. We are moving fast as a nation, and there is not time to organize a new political party which could adequately represent the principles of various groups not in full

accord with the present course of our government. If these various opposition groups want to be politically effective, there is nothing to prevent them from making the established Repunlican party into a medium for expressing their opposition to the present administration, for any political party is just what its supporters make it. 10

TWO-PARTY SYSTEM

As the federal government proceeds to revise the structure of our economic life, there is both inquiry into and opposition to the policies and practices at Washington. The result has been the appearance throughout the country or organizations and associations for and against the New Deal, and demands for a new political party.

Under our two-party system of government, however, the opposition has the responsibility of calling to public attention the full meaning of all actions of the party in power. By this system of checks and balances, coupled with the constitutional guarantees of freedom of speech and press, we have enjoyed a political stability that has allowed us to advance faster and further than any other nation on earth.

As divided political opposition invariably means relative support for the party being opposed, it follows that the Republican party is the normal agency of politically effective criticism of our present national administration policies. The two major parties have taken generations to develop their organizations and legal status. We are moving fast as a nation, and there is not time to organize a new political party which could adequately represent the principles of various groups not in full accord with the present course of our government.

If these various opposition groups want to be politically effective, there is nothing to prevent them from making the established Republican party into a medium for expressing their opposition to the present administration, for any political party is just what its supporters make it to be chewed and digested.—Bacon, the whole amount for tickets able to get together.

Alderman Mantz Refreshes Memory Of Kiwanis Picnic Held In 1921

Alderman L. C. Mantz tried to brighten up a dull morning by get-ting out a group picture of a joint picnic held by the New Castle and Youngstown Kiwanis clubs at

Youngstown back in 1921.

One of the features of the picnic was a ball game between the local Kiwanis nine and the Youngstown

Kiwanis nine. The local nine was grouped well up in front of the picture. It included the following persons: Rev. Samuel Purvis, Marlin Matthews, George W. Conway, Henry Goldberg, Garth Ligo, Roy McMillin, Ray Rhodes, Marion Woods and the late Dr. Taylor. The players were hall aga pensions. Dr. Taylor. Fall Boxing Season Opens Tonight At Shelby Auditorium With Eight-Bout Card

FIVE NATURAL BOUTS ARRANGED

ELLWOOD CITY, Oct. 29.—Lovers of amateur boxing will flock to the Shelby auditorium this evening at 8:30, when the fall season will be inaugurated here with a high class card. The leading amateur pugilists of the district will be in there swinging leather from the opening to the last bell and insure the success of the show. Eight well balanced bouts have been arranged and the fighters are

in the "pink of condition" and rarin' to go. The card boasts five bouts which are considered as "naturals". Fall Boxing Season Opens Tonight At Shelby Auditorium With Eight-Bout Card

BOUTS ARRANGED

ELLWOOD CITY, Oct. 29.—Lovers of amateur boxing will flock to the Shelby auditorium this evening at 8:30, when the fall season will be inaugurated here with a high class card. The leading amateur pugilists of the district will be in there swinging leather from the opening to the last bell and insure the success of the show. Eight well balanced bouts have

been arranged and the lighters are in the "pink of condition" and rar-in' to go. The card boasts five bouts which are considered as "naturals".
Ray Atkinson of Ellport, golden glove champion, will meet Tony Williamson of Warren, O., in one of the meet brite. of the most interesting bouts of the evening. Atkinson needs no introduction in these parts. His oppon-ent has reached the top of the lad-der in his division. Both employ a ter in his division. Both employ a similar style in fighting, are clever boxers and hard hitters, and are willing mixers. Shelby officials feel fortunate that they have been able

to arrange this bout. They will fight at 147 pounds. Kid Hunt of Beaver Falls and Kid Williams of Warren, O., promise another rip roarin session. Tony Adamo, New Castle's leading welterweight, will exchange blows with Johnny McClarin of Youngstown in a setto that will be replete with

HOME RULE

In the Campaign being conducted by the Democratic Party in the State and particularly in Lawrence County, we regret to say there has been a premeditated effort to appeal to class prejudice, to stir up labor against capital, race and nationality have been appealed to.

To do this speakers almost entirely from out the County have appeared. Literature made up of "phoney pictures" and "fantastic attacks" have been sent in and distributed.

Where is the Democratic leadership of Lawrence County? Where is it of Pennsylvania? The answer to both is the same-Guffey.

As we have said before, this is a State and local election, not a national election. We have been appealed to to stand behind the President. Certainly no one can charge the citizens of Pennsylvania who pay into the Federal Treasure in tax a greater amount than but one state in the union, and who have carried 50% of our relief where other states have contributed almost nothing, from being unpatriotic.

We believe the citizens of Pennsylvania and Lawrence County have the ability and honestly of purpose to attend to their own affairs as a State and locality and should be permitted to do so as long as they do their full share as good American citizens. Do the citizens of Pennsylvania want to have their private affairs entirely turned over to a lone Democratic boss and theorists who have no particular interest in Pennsylvania. . The Republican party has for its nominees candidates whose ability and honesty of purpose cannot be questioned.

The election of Republican candidates assures the citizens of Lawrence County of voice in their local and state government. And the Republican party of Lawrence County believes that the citizens of Lawrence County have the intelligence to do their own thinking and realize that no clique, class or group antagonistic has any chance of developing good government or bringing about prosperity.

HOME RULE

In the Campaign being conducted by the Democratic Party in the State and particularly in Lawrence County, we regret to say there has been a premeditated effort to appeal to class prejudice, to stir up labor against capital, race and nationality have been appealed to.

To do this speakers almost entirely from out the County have appeared. Literature made up of "phoney pictures" and "fantastic attacks" have been sent in and

Where is the Democratic leadership of Lawrence County? Where is it of Pennsylvania? The answer to both is the same-Guffey.

As we have said before, this is a State and local election, not a national election. We have been appealed to to stand behind the President. Certainly no one can charge the citizens of Pennsylvania who pay into the Federal Treasure in tax a greater amount than but one state in the union, and who have carried 50% of our relief where other states have contributed almost nothing, from being unpatriotic.

We believe the citizens of Pennsylvania and Lawrence County have the ability and honestly of purpose to attend to their own affairs as a State and locality and should be permitted to do so as long as they do their full share as good American citizens. Do the citizens of Pennsylvania want to have their private affairs entirely turned over to a lone Democratic boss and theorists who have no particular interest in Pennsylvania. . The Republican party has for its nominees candidates whose ability and honesty of purpose cannot be questioned.

The election of Republican candidates assures the citizens of Lawrence County of voice in their local and state government. And the Republican party of Lawrence County believes that the citizens of Lawrence County have the intelligence to do their own thinking and realize that no clique, class or group antagonistic has any chance of developing good government or bringing about prosperity.

Tanner Hits Line For Third Tally For Shenango

GAME IS PLAYED ON MUDDY FIELD

Displaying an unusual amount of power during the first two quarters, Coach Ed Raney's Shenango high Blue and Gold gridders scored a decisive 19-6 triumph over a fighting Emienton high team Saturday morning on the Shenango field.

The contest was played on a mud-dy field, this caused the game to lag. Despite a continuous drizzle, a large crowd turned out to cheer the East New Castle schoolboys on to victory. A few minutes after the contest started. Shenango partially blocked a punt which landed past the 20 yard mark. After two line bucks failed, Tanner tossed a pretty pass to Hortig who caught the oval on the 10 and raced over the goal line. Tanner attempted to hit the line for the extra point, but falled. Score, Shenango 6, Emlenton

Shortly after the kickoff, following the touchdown, Emlenton was forced to boot to safety and Shenango took the ball near mid field and commenced another drive down the field. A doublt pass, Tan-ner to Fee around right end, moved the ball on Emlenton's 19. Tanner knifed his way through the line for 8 yards. Mills' off tackle play netted Shenango 6 more yards, as the ball rested on the hidden 5 yard marker. A penalty for holding, stopped this raily at the end of the first quarter, with the ball on the 20. Score. Shenango 6. Emlenton 0. Score Again

After trying a line buck, which failed in the second period, Tanner again took to the air and heaved the ball to the waiting Hordig who raced a few yards over the goal line for Shenango's second score. Mills tried a line plunge for the extra point, but failed. Score, Shenango 12

Emication 0. It was but a short time until the Emlenton griders crossed the Shen-ango line. The East New Castle boys kicked off and Hortig recovered Em-lenton's fumbles. The vistors took the ball on downs. On the first play, Edward Carr, lanky fullback, was ready to charge the line, changed his mind and ran left end which was open and raced 80 yards for a touchdown. It was a pretty run. La-Rosa's try for the extra point

Near the end of the half, Williams blocked an Emlenton punt which was recovered by Hortig. Through line bucks by Mills, Hortig and Tanner, Shenango moved the ball to the 3 yard line where Tanner easily carried it over for the third and final score for the Lawrence County team. Union Is Preparing For Bessemer Game

Game At Bessemer Saturday Will Be For County Championship

Union high school football players took a firmer toehold on the sod of the new Union athletic field today and bent their energies toward the impending battle Saturday afternoon with Bessemer high at Bessemer. Coach Davey Boyd realizes that

the county championship can still come to Union high. Bessemer has licked Shenango and if Union can take Bessemer and Shenango the county toga will rest at Union high. Union high will play Shenango on Saturday, November 10.. Union's season to date has been anything but impressive, but all will be for-given if the wearers of the Union

BACKFIELD ACES. Most of the backfield stars of this season were little known before September brought the pigskin into the limelight but don't let it bother you; all of the present stars are every bit as good as the Cagles, Carldeo and Sebastians that preceded them. Perhaps, at the moment "Buzz" Borries, the big gun in the Navy attack, holds the upper post for individual brillance. His long runs and accurate passes have been the

Les Lindbergh is carrying the hopes of Illinois for a Big Ten champlonship on his shoulders. The anky halfback gained quite a reputation as a ball-carrier and pass-snatcher last season but this year has added another threat to his offensive ability. Zuppke has crossed the opponents by allowing Les to do some forward passing also, a job that formerly was done exclusively

by the expert Jack Beynon.

Weinstock, Randour And Nicksick Score Touchdowns In Mud Battle

INCLEMENT WEATHER HOLDS CROWD DOWN

Playing under weather conditions that were more suitable for pneumonia or lumbago, than football, the University of Pitts-burgh Panthers sloshed and slipped through mud and water at Taggart Stadium Saturday afternoon to take a 30 to 0 victory over a fighting Westminster College football team. About 1,500 hardy, ardent field fans sat huddled in rain coats and blankets as the football men put

on the show. Under better weather conditions the Pitt Panthers would have drawn a crowd of about 10,000 to the local football plant, but a steady downpour of rain during the morning and shortly before game time, kept the fans at the fireside. The Westminster student body turned out well for the game, and cheered their he-roes lustily. The concrete stand was well filled, but the bleachers on the western side of the field were glar-

ingly empty.

Weinstock Scores Twice Dr. John "Jock" Sutherland didn't start his regulars in the battle. Izzy Weinstock and Art Detzel were the only regulars in the lineup, with the

rest of the starting team made up f second and third stringers. Shortly after the game started Weinstock took the ball on the Pitt 35 yard and stepped off tackle and was away for the goal line 65 yards distant. He made the touchdown distant. with several Westminster men clos-ing in on hlm. The extra point failand accurate passes have been the ed. Again in the first period, Weinmain factor in all of the Nary victories so far. Even the Coulmbia touchdown from the 3 yard line after a Pitt march down the field. The

Titans Complete Pass

The only flurry from Westmin-ster that ruffled the sleek Pitt Panther was in the first period when Arrowsmith tossed a pass to Jack Laraway good for 28 yards and the only first down allowed the United Presbyterians all during the game. The third Pitt touchdown came in the second period when Hub Ran-dour took the ball on the Westminster 44 and cut through tackle for the goal line. This touchdown came after Westminster had held the Pittites on the 23 yard line and with Helmick intercepting a pass from Shedloskey. Arrowsmith kicked but the bail was wet and slippery and it

sailed out of bounds on the West-minster 44 yard line. Greene in at quarter for Pitt missed the try for extra-point. The half ended 18 to 0. After the intermission the teams returned to the sloppy field. The battle was resumed. It was late in the third period when Pitt scored again. Arrowsmith licked to the Westminster 48 yard line after the Titans had stopped Pitt on the 20 yard line with a fine defensive spirit. After several plays Randour turned the left side of the Westmin-ster line and after reversing his field

ran 33 yards for a touchdown. tire first team at the start of the fourth period with the exception of Weinstock who had seen a lot of ervice all afternoon and was sent to the farm showers. The Pitt regulars started a drive toward the Westminster goal line and Nicksick taking the ball on the 32 yard line raced over for the fifth touchdown. Weisenbaugh's try for the extra-point was wide. Shortly after the fifth Pltt marker was hung Coach Sutherland sent in a fresh batch of subs and the regulars were sent to the showers to get the drip ping wet clothes off.

Titans Play Hard Pitt had 18 first downs to one for Titans. The Pitt team tried six passes and made two for a total of 16 yards. The Titens tried two passes making one for 23 yards. The outstanding players for West

in other games as he was against the Irish. A fast and shifty back with a change of pace that Coach Chevigney says is better than that of bane brothers were very much minster were Arrowsmith, Burry Red Grange, Bohn is also a good pleased with the fighting qualities kicker and passer with plenty of the Westminster team, against bane brothers were very much such a classy Pitt team, holding big advantage in weight and experience.

New Castle Will Play Fourth Class AA Battle Saturday With New Kensington

New Castle high "Red Hurricane" football team will play its fourth class AA conference game Saturday afternoon at Taggart stadium with the strong New Kensington high team. It will be a battle between two undefeated teams in class AA circles. Both teams have lost non-

conference games. The game this Saturday looks like the toughest on the New Castle card for the rest of the year. If New Castle can get past New Ken high they will be well on the road for the second class AA victory, having taken the toga last year. Creek Thanksgiving will be the fifth class AA game on the card and New Castle should not have much trouble inasmuch as Washington high topped Turtle Creek 18 to 0 and New Castle took the Wash-

Committee Will Discuss Recommendations Of Proposal Committee For

Floor League

New Castle church basketball fans are going to have a lot of amateur games to witness this coming winter, according to present plans. There will be two leagues, a church league and Sunday school league, ac-cording to plans.

A meeting of the association will be held Tuesday evening at 7:15 o'clock at the "Y" for the purpose of listening to the recommendations of the following proposal committee: Joe Wagner, Dr. T. McFate, L. W. Campbell, Dairo Baptiste and Henry

Representatives of all of the church league teams will be at the meeting tomorrow night. It is the aim of the commissioners to have six teams in each league. The following churches should be

represented tomorrow night: First Methodist, Epworth M. E., Wesley M. E., Sacred Hearts, St. Johns Lutherans, St. Michaels, First Christian. First Baptist. Finnish Lutheran, St. Ellas, Highland U. P., Tifer-eth Israel, Mahoning Presbyterian, Third U. P., Second U. P., Central Christian, St. Andrews.

Tanner Hits Line For Third Tally For Shenango

GAME IS PLAYED ON MUDDY FIELD

Displaying an unusual amount of power during the first two quarters, Coach Ed Raney's Shenango high Blue and Gold gridders scored a decisive 19-6 triumph over a fighting Emlenton high team Saturday morning on the Shenango field.

The contest was played on a muddy field, this caused the game to lag. Despite a continuous drizzle, a large crowd turned out to cheer the goal line. Tanner attempted to hit the line for the extra point, but failed. Score, Shenango 6, Emlenton lenton 5.

Shortly after the kickoff, following the touchdown, Emlenton was forced to boot to safety and Shenango took the ball near mid field and commenced another drive down the field. A doublt pass, Tanner to Fee around right end, moved the ball on Emlenton's 19. Tanner knifed his way through the line for 8 yards. Mills' off tackle play netted Shenango 6 more yards, as the ball rested on the hidden 5 yard marker. A penalty for holding, stopped this rally at the end of the first quarter, with the ball on the 20. Score. Shenango 6. Emlenton 0.

Union Is Preparing For Bessemer Game

Game At Bessemer Saturday Will Be For County Championship

Union high school football players took a firmer toehold on the sod of the new Union athletic field today and bent their energies toward the impending battle Saturday afternoon with Bessemer high at Bessemer.

Coach Davey Boyd realizes that

the county championship can still

come to Union high. Bessemer has licked Shenango and if Union can take Bessemer and Shenango the county toga will rest at Union high. Union high will play Shenango on Saturday, November 10.. Union's Emlenton 0 6 0 0-6 season to date has been anything but impressive, but all will be forgiven if the wearers of the Union high colors take the measure of

Bessemer this week. Of course, this

Down south the Rice Institute team is one of the nation's best principally because Quarterback Mc-Cauley and Halfback Wallace have been performing so well. They have taken care of things offensively for the "Owls" and if you have any doubt as to their ability just look what they did against Purdue, Louisiana State and others.

Oze Simmons of Icwa is, perhaps, the most spectacular performer in the midwest. While Iowa has suffered recent reversals this little Negro sophomore from Texas is rapidly developing into one of football's greats. When Oze reported to Coach Solem the Iowa mentor remarked that the Ebony Eel looked a little too small for Big Ten competition. "I know I'ze small," replied Oze,

"but they say I'ze tricky." Columbia has its individual star in Al Barabas, the New Jersey lad, who has continued the brilliance with which he performed in the Rose Bowl game last January. continued his fine ball-carrying. Les Lindbergh is carrying the hopes of Illinois for a Big Ten championship on his shoulders. The lanky halfback gained quite a reputation as a ball-carrier and passsnatcher last season but this year has added another threat to his offensive ability. Zuppke has crossed the opponents by allowing Les to do some forward passing also, a job that formerly was done exclusively

by the expert Jack Beynon. Bohn Hilliard has come to be known as the halfback who gave Texas a victory over Notre Dame. However, the Lone Star rooters will tell you that he is just as brilliant in other games as he was against the Irish. A fast and shifty back with a change of pace that Coach Chevigney says is better than that of Red Grange, Bohn is also a good kicker and passer with plenty of football knowledge.

These aren't the only aces performing behind the line of scrimmage. There are others, some as good as the ones mentioned above; we'll mention according to the sections in which their teams are lo-

INCLEMENT WEATHER HOLDS CROWD DOWN

Playing under weather conditions that were more suitable for pneumonia or lumbago, than football, the University of Pittsburgh Panthers sloshed and slipped through mud and water at Taggart Stadium Saturday afternoon to take a 30 to 0 victory over a fighting Westminster College football team. About 1,500 hardy, ardent field fans sat huddled in rain coats and blankets as the football men put on the show.

Under better weather conditions the Pitt Panthers would have drawn a crowd of about 10,000 to the local football plant, but a steady downpour of rain during the morning and shortly before game time, kept the fans at the fireside. The Westminster student body turned out well for the game, and cheered their heroes lustily. The concrete stand was 14. well filled, but the bleachers on the western side of the field were glar-

The third Pitt touchdown came in the second period when Hub Randour took the ball on the Westminster 44 and cut through tackle for the goal line. This touchdown came after Westminster had held the Pittites on the 23 yard line and with Helmick intercepting a pass from Shedloskey. Arrowsmith kicked but the ball was wet and slippery and it sailed out of bounds on the Westminster 44 yard line. Greene in at quarter for Pitt missed the try for extra-point. The half ended 18 to 0.

After the intermission the teams returned to the sloppy field. The battle was resumed. It was late in the third period when Pitt scored again. Arrowsmith licked to the Westminster 48 yard line after the Titans had stopped Pitt on the 20 yard line with a fine defensive spirit. After several plays Randour turned the left side of the Westminster line and after reversing his field ran 33 yards for a touchdown.

Coach Sutherland put in his entire first team at the start of the I. fourth period with the exception of Weinstock who had seen a lot of 0. service all afternoon and was sent to the farm showers. The Pitt regulars started a drive toward the Westminster goal line and Nicksick taking the ball on the 32 yard line raced over for the fifth touchdown. Weisenbaugh's try for the extrapoint was wide. Shortly after the fifth Pitt marker was hung up Coach Sutherland sent in a fresh batch of subs and the regulars were sent to the showers to get the dripping wet clothes off. Titans Play Hard

Pitt had 18 first downs to one for Titans. The Pitt team tried six passes and made two for a total of 16 yards. The Titans tried two passes

making one for 23 yards. The outstanding players for Westminster were Arrowsmith, Burry, Helmick, Laraway and Roush. Weinstock and Randour were the best bets in the Pitt backfield. The Gilbane brothers were very much pleased with the fighting qualities of the Westminster team, against 0 such a classy Pitt team, holding big advantage in weight and experience.

Allegheny Wins

One of the surprises in this section was Allegheny's defeat of Grove City 6-0. This year the Grover fans were confident their team was "on" but the defeat by Allegheny Saturday gives Westminster an even chance next Saturday, if indeed they haven't the edge right now.

Penn State continued its smart football by holding Columbia scoreless for three periods, only to lose in the final period when the Lions unloosed a wild passing attack and scored two touchdowns. Score 14-7. Southern Methodist came up from Texas to wallop Fordham 26-14 and Dartmouth advanced its threat of eastern supremacy by trouncing old John Harvard 10-0. DIFFICULT FOES

(Special To The News) NEW WILMINGTON, Pa., Oct. start right in this week to prepare for the hard Grove City game at Grove City Saturday despite the beating the Titans took Saturday at the hands of Pitt.

Grove City's fast and flashy attack, which has given Bill Amos four substantial victories this year and which carried the Grovers through a hard campaign last season with only one defeat, will be hard to stop, but the Titans hope to be able to do it.

On paper and past performance, Grove City is a touchdown or two better than the Titans, but the fact that Westminster has played three exceedingly hard games gives the blue and white players confidence that they will have the endurance to stand off the Grover attack. Westminster's team which faces

the Grovers at the kickoff will probably include almost all juniors and seniors, all of whom saw action against Grove City in the game played at New Castle last year when the Grovers won 12-0. Few frosh on the Titan squad have won exception the starting lineups have included no first-year men. The present group of Titan seniors have, during the last three years,

Displaying an unusual amount of power during the first two quarters. Coach Ed Rancy's Shenango high Blue and Gold gridders scored a decisive 19-6 triumph over a fighting Emlenton high team Saturday morning on the Shenango field.

The contest was played on a muddy field, this caused the game to lag. Despite a continuous drizzle, a large crowd turned out to cheer the East New Castle schoolboys on to victory. A few minutes after the contest started. Shenango partially blocked a punt which landed past the 20 yard mark. After two line bucks failed, Tanner tossed a pretty pass to Hortig who caught the oval on the 10 and raced over the goal line. Tanner attempted to hit the line for the extra point, but failed. Score, Shenango 6, Emlenton

Shortly after the kickoff, following the touchdown, Emlenton was forced to boot to safety and Shenango took the ball near mid field and commenced another drive down the field. A doublt pass, Tanner to Fee around right end, moved the ball on Emlenton's 19. Tanner knifed his way through the line for 8 yards. Mills' off tackle play netted Shenango 6 more yards, as the ball rested on the hidden 5 yard marker. A penalty for holding, stop-ped this rally at the end of the first quarter, with the ball on the 20. Score. Shenango 6. Emlenton 0.

Score Again After trying a line buck, which failed in the second period, Tanner again took to the air and heaved the ball to the waiting Hordig who raced a few yards over the goal line for Shenango's second score. Mills tried a line plunge for the extra point, but failed. Score, Shenango 12

Emlenton 0.

It was but a short time until the Emlenton griders crossed the Shen-ango line. The East New Castle boys kicked off and Hortig recovered Em-lenton's fumbles. The vistors took the ball on downs. On the first play, Edward Carr, lanky fullback, was ready to charge the line, changed his mind and ran left end which was open and raced 80 yards for a touchdown. It was a pretty run. La-Rosa's try for the extra point through the line was futile. Sore,

Shenango 12, Emlenton 0. Near the end of the half, Williams blocked an Emlenton punt which was recovered by Hortig. Through line bucks by Mills, Hortig and Tanner, Shenango moved the ball to the 3 yard line where Tanner easily carried it over for the third and final score for the Lawrence County team.

For Bessemer Game

Game At Bessemer Saturday Will Be For County Championship

Union Is Preparing

Union high school football players took a firmer toehold on the sod of the new Union athletic field today and bent their energies toward the impending battle Saturday afternoon with Bessemer high at Bessemer Coach Davey Boyd realizes that

the county championship can still come to Union high. Bessemer has licked Shenango and if Union can take Bessemer and Shenango the county toga will rest at Union high. Union high will play Shenango on

Saturday, November 10.. Union's season to date has been anything but impressive, but all will be for-given if the wearers of the Union high colors take the measure of Bessemer this week. Of course, this is quite an assignment.

Most of the packfield stars of this season were little known before September brought the pigskin into the limelight but don't let it bother you; all of the present stars are every oit as good as the Cagles, Carideos and Sebastians that preceded them. Perhaps, at the moment "Buzz" Borries, the big gun in the Navy attack, holds the upper post for in-dividual brillance. His long runs and accurate passes have been the main factor in all of the Navy victories so far. Even the Coulmbia Rosc Bowl champs were unable to stop the Kentucky bomber and, as

Notre Dame plays Pitt this week at are comparing Jay Berwanger with Walter Eckersall and Wally Steffen, Marcon heroes of the past. Jay can circle the ends and pitch passes with the best of them. He is being captain and end of the great Notre Dame team of 1930, one of the greattouted as an all-American possibility with the season little more than

> Down south the Rice Institute team is one of the nation's best principally because Quarterback Mc-Cauley and Halfback Wallace have been performing so well. They have taken care of things offensively for the "Owls" and if you have any doubt as to their ability just look what they did against Purduc, Lou-

isiana State and others.

Oze Simmons of Icwa is, perhaps, the most spectacular performer in the midwest. While Iowa has suffered recent reversals this little Negro sophomore from Texas is rapid-ly developing into one of football's greats. When Oze reported to Coach Solem the Iowa mentor remarked that the Ebony Eel looked a little too small for Big Ten competition.
"I know I'ze small," replied Oze,

but they say I'ze tricky Columbia has its individual star in Al Barabas, the New Jersey lad, who has continued the brilliance with which he performed in the Rose Bowl game last January. All has been the big noise in all of the Lions' games played so far and even in being defeated by Navy, Barabas

continued his fine ball-carrying.

Les Lindbergh is carrying the hopes of Illinois for a Big Ten championship on his shoulders. The lanky halfback gained quite a reputation as a ball-carrier and passsnatcher last season but this has added another threat to his offensive ability. Zuppke has crossed the opponents by allowing Les to do some forward passing also, a job

that formerly was done exclusively

by the expert Jack Beynon.

Bohn Hillard has come to be known as the halfback who gave Texas a victory over Notre Dame. However, the Lone Star rooters will tell you that he is just as brilliant in other games as he was against the Irish. A fast and shifty back with change of pace that Coach Chevigney says is better than that of Red Grange, Bohn is also a good kicker and passer with plenty of

Pitt Defeats Titans, 30 To 0

Weinstock, Randour And Nicksick Score Touchdowns In Mud Battle

INCLEMENT WEATHER HOLDS CROWD DOWN

Playing under weather conditions that were more suitable for pneumonia or lumbago, than football, the University of Pitts-burgh Panthers sloshed and slipped through mud and water at Taggart Stadium Saturday afternoon to take a 30 to 0 victory over a fighting Westminster College football team. About 1,500 hardy, ardent field fans sat huddled in rain coats and blankets as the football men put on the show.

Under better weather conditions he Pitt Panthers would have drawn crowd of about 10,000 to the local football plant, but a steady downpour of rain during the morning and shortly before game time, kept the fans at the fireside. The Westminster student body turned out well for the game, and cheered their he-roes lustily. The concrete stand was well filled, but the bleachers on the western side of the field were glar-

ingly empty.
Weinstock Scores Twice Dr. John "Jock" Sutherland didn't start his regulars in the battle. Izzy Weinstock and Art Detzel were the only regulars in the lineup, with the rest of the starting team made up of second and third stringers. Shortly after the game started Weinstock took the ball on the Pitt 35 yard and stepped off tackle and was away for the goal line 65 yards distant. He made the touchdown with several Westminster men closing in on him. The extra point ed. Again in the first period, Wein-stock drove over for his second touchdown from the 3 yard line after a Pitt march down the field. The first period ended 12 to 0.

Titans Complete Pass
The only flurry from Westminster that ruffled the sleek Pitt Panther was in the first period when Arrowsmith tossed a pass to Jack Laraway good for 28 yards and the only first down allowed the United Presbyterians all during the game. The third Pitt touchdown came in the second period when Hub Randour took the ball on the Westminster 44 and cut through tackle for the goal line. This touchdown came after Westminster had held the Pittites on the 23 yard line and with Helmick intercepting a pass from Shedloskey, Arrowsmith kicked but the ball was wet and slippery and it sailed out of bounds on the Westminster 44 yard line. Greene in at quarter for Pitt missed the try for

extra-point. The half ended 18 to 0. After the intermission the teams returned to the sloppy field. The battle was resumed. It was late in the third period when Pitt scored Arrowsmith licked to the Westminster 48 yard line after the Titans had stopped Pitt on the 20 vard line with a fine defensive spirit, After several plays Randour urned the left side of Westminster line and after reversing his field

ran 33 yards for a touchdown. Coach Sutherland put in his entire first team at the start of the I. fourth period with the exception of Weinstock who had seen a lot of 0. service all afternoon and was sent to the farm showers. The Pitt regulars started a drive toward the Westminster goal line and Nicksick taking the ball on the 32 yard line raced over for the fifth touchdown Weisenbaugh's try for the extrapoint was wide. Shortly after fifth Pitt marker was hung Coach Sutherland sent in a fresh batch of subs and the regulars were

The outstanding players for Westminster were Arrowsmith, Burry Helmick, Laraway and Roush. Wein-stock and Raudour were the best bets in the Pitt backfield. another shaking down of the teams and the one team that emerged more powerful appearing than ever was Minnesota, the Gophers rolling Iowa under by a score of 48-12. Unless a najor disaster occurs nobody can ake national honors away from

Minnesota this year. Locally Pitt worked out against Westminster and took a 30-0 score back to town with them. The result of the game was a foregone conclu-

Allegheny Wins One of the surprises in this section was Allegheny's defeat of Grove City 6-0. This year the Grover fan: were confident their team was "on" but the defeat by Allegheny Saturday gives Westminster an even chance next Saturday, if indeed they

haven't the edge right now.

Penn State continued its smart football by holding Columbia score-less for three periods, only to lose in the final period when the Lions unloosed a wild passing attack and scored two touchdowns. Score 14-7. Southern Methodist came up from Texas to wallop Fordham 26-14 and Dartmouth advanced its threat of eastern supremacy by trouncing old John Harvard 10-9. Princeton continued its scoring orgy against Cor-nell defeating them 45-0 and the Navy downed Penn 17-0 on Navy Day. While the Middles were trouncing Penn their brothers-in-arms the Army were taking Yale over by a score of 20-12. Tuss McLaughry's Brown team

stayed down in the ruck again, taking a 33-0 pasting from Syracuse and over at Bethlehem, Pa., it was unnecessary to "die for dear old Rutgers" the Rutgers team wallopthe ears off Lehigh, 45-0. Amherst won a game against Wesleyan 37-7, while Carnegie Tech battled hopelessly against Purdue, the Boilermakers scoring a decisive 20-0

Thiel Beats Bethany Thiel defeated Bethany 16-6 and West Virginia nosed out a 12-7 win against Davis-Elkins. In the south-

ern fields Louisiana State continued its crushing attack by taking Van-derbilt 29-0 while North Carolina and North Carolina State tied 7-7. Tulane best Georgia Tech 20-12 and Washington and Lee defeated Virginia Tech 13-7.

Over in the Big Ten, Michigan proved a surprise, holding Illinois to a *6 win. Either Michigan is coming back or Illinois isn't the threat it was supposed to be. Ohlo State took Northwestern 28-6 and Chicago continued its streak, win-ning 19-6 against Missouri, Temple defeated Marquette 28-6 and Nebraska defeated Iowa State Okiahoma and Kansas tled 7-6. 7-7.

Pittsburgh

By now the toppers of the country are showing. In the east Prince-ton seems to be the team, although their schedule doesn't compare with that of Pittsburgh, Minnesota seems

certain to be headed for national honors and Stanford will probably draw the Rose Bowl game. Who will draw the Rose Bowl game. Church Committee Will Meet Tuesday

Committee Will Discus Recommendations Of Proposal Committee For Floor League

New Castle church basketbail fans are going to have a lot of amateur games to witness this coming winter, according to present plans. There will be two leagues, a church league and Sunday school league, according to plans.

A meeting of the association will be held Tuesday evening at 7:15 c'clock at the "Y" for the purpose of listening to the recommendations of the following proposal committee: Joe Wagner, Dr. T. McFate, L. W. Campbell, Dairo Baptiste and Henry MacNichols.

Representatives of all of the church league teams will be at the meeting tomorrow night. It is the aim of the commissioners to have six teams in each league.

The following churches should be represented tomorrow night: First Methodist, Epworth M. E., Wesley M. E., Sacred Hearts, St. Johns Lutherans, St. Michaels, First Christian, First Baptist, Finnish Lutheran, St. Elias, Highland U. P., Tifereth Israel, Mahoning Presbyterian, Third U. P., Second U. Titans Prepare For Grove City

Contest At Grove City Will Attract Large Crowd From District

DIFFICULT FOES

(Special To The News) NEW WILMINGTON, Pa., Oct. 29.—Coach Bill Gilbane's Westminster College grid team will have to start right in this week to prepare for the hard Grove City game at Grove City Saturday despite the beating the Titans took Saturday

Grove City's fast and flashy attack, which has given Bill Amos four substantial victories this year and which carried the Grovers through a hard campaign last season with only one defeat, will be hard to stop, but the Titans hope

to be able to do it.
On paper and past performance, Grove City is a touchdown or two better than the Titans, but the fact that Westminster has played three exceedingly hard games gives the blue and white players confidence that they will have the endurance to stand off the Grover attack.

Westminster's team which faces the Grovers at the kickoff will probably include almost all juniors and seniors, all of whom saw action against Grove City in the game played at New Castle last year when the Grovers won 12-0. Few frosh on the Titan squad have won exception the starting lineups have included no first-year men.

The present group of Titan seniors

have, during the last three years, been able to defeat Grove City once, and that my a 7-0 score at Grove City two years ago. Some believe that the Titans play better at Grove City than at home, so expect a good game,

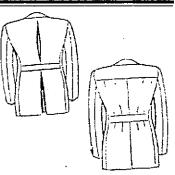

At least three hundred Westminster students, the 40-piece Westminter band, and a large group of alumni plan to attend the game at Grove City,

SAYS NO POSSIBILITY

OF SWAMP BODY BEING

MISSING CONSTABLE

There seems to be no possibility that the body found in the West Pittsburg swamp several weeks ago was the body of Constable John H. Webb of North Beaver township who has been missing for six inonths. According to A. Sharp Leslie who has investigated this angle, Mr. Webb was in Cleveland about four weeks ago and while there got in communication with his wife.

Since the body was discovered in the swamp it has been suggested that it might have been the body of Mr. Webb. However the body had been in the swamp for a long time, perhaps several months. Whether

SAYS NO POSSIBILITY

OF SWAMP BODY BEING

MISSING CONSTABLE

There seems to be no possibility that the body found in the West Pittsburg swamp several weeks ago was the body of Constable John H.

Webb of North Beaver township who has been missing for six months. According to A. Sharp Lestlie who has investigated this angle.

Mr. Webb was m Cleveland about four weeks ago and while there got in communication with his wife.

Since the body was discovered in the swamp it has been suggested that it might have been the body of Union Car & Car

Pittsburgh attending a general meet-ing of Central region superintendents called by General Manager C. I.

Young President Of Bank Is Killed

Plunge From Precipice Fatal To Chester L. Bond, 31, Of Yardley, Pa.

WAS ELEVATED QUITE RAPIDLY

BELVIDERE, N. J., Oct. 29,— Tragedy today wrote an untimely to the brilliant career of Lester L. Bond, who at the age of 31 had already attained the position of bank president.

Victim of a 30-foot fall from the

the tragedy cut short a career which within a short period of time had witnessed young Bond's elevation from humble clerk to president of the Yardley National bank of Yardley, Bucks county, Pa.

Skull Fractured On an outing with two companions Bond had climbed to the top of the virtually perpendicular cliff when suddenly he lost his grip. He plunged head first to the ground 30 feet below, meeting instant death as a result of a fractured skull and

His companions, Jack Rembe and Raymond Hampton, both of Yardley, witnessed the fall. Rembe went to Columbia where he summoned state police from the Washington, N. J., barracks. Over many miles of rough country Bond's body was hefore it could be placed in Ohio over the week-end. broken arm.

In March, 1933, the Yardley National bank was closed while Bond was working as a clerk. He was appointed conservator and directed he remittance of more than 50 per cent of their money to depositors When the institution was reorganzed he was chosen president.

Young President Of Bank Is Killed

Plunge From Precipice Fatal To Chester L. Bond, 31, Of Yardley, Pa.

WAS ELEVATED

QUITE RAPIDLY

(International News Service) BELVIDERE, N. J., Oct. 29.— Tragedy today wrote an untimely "finis" to the brilliant career of Lester L. Bond, who at the age of 31 had already attained the position of bank president.

reaches of northern Warren county. bers. within a short period of time had witnessed young Bond's elevation from humble clerk to president of the Yardley National bank Yardley, Bucks county, Pa.

Skull Fractured On an outing with two companions Bond had climbed to the top of the virtually perpendicular cliff when suddenly he lost his grip. He plunged head first to the ground 30 feet below, meeting instant death as a result of a fractured skull and broken arm.

His companions, Jack Rembe and Raymond Hampton, both of Yard-ley, witnessed the fall. Rembe went to Columbia where he summoned state police from the Washington, N. J., barracks. Over many miles of rough country Bond's body was carried before it could be placed in

an automobile.

In March, 1933, the Yardley National bank was closed while Bond was working as a clerk. He was appointed conservator and directed the remittance of more than 50 per cent of their money to depositors When the institution was reorganhe was chosen president.
